

## **Make your car as individual as you are**

Paramount Performance become sole UK agent for Mansory

Paramount Performance, one of the most renowned and prestigious tuning houses in the UK are delighted to announce that they have been hand selected to be the sole UK agent for luxury automobile aesthetics and tuning company, Mansory.

Paramount have become one of only nine Mansory agents across the world to continue and enhance their already unrivaled work in the field of prestige car tuning and styling. With products and services available for the best of the best including Aston Martin, Bugatti, Ferrari, Lamborghini, Porsche, Jaguar, Bentley, Mercedes, Range Rover and Rolls Royce to name a few. The partnership between Paramount and Mansory will allow any car owners dreams to come true.

John Kaiser, Managing Director of Paramount Performance commented: "We are delighted and honoured to be selected as the UK agent and supplier for Mansory. Paramount have been established since 1985 and already have a world-wide reputation for our Jaguar and Aston Martin modifications. From autoclave production, modeling and prototype production to creating the ultimate in luxury custom made interiors, Mansory's products and services will allow our customers to create and realise their ultimate dream vehicle."

Established in 1989 by Kourosh Mansory, production on the highest technical level combined with masterly craftsmanship and most precious materials is the quality standard of the Mansory corporation. Harmonically designed aerodynamics programmes, ultra-light aluminium rims and powerful engine performance enhancements are the basis of the Mansory technology programme. High-quality accessories and stylish interior fittings complete the assortment. Whether dynamically striking or extravagant and noble, Mansory interiors render comfort and confidence.
